Connecting Global Competence

CERAMIC APPLICATIONS

at

27 February – 1 March, 2019
The Exhibition Centre, Gandhinagar, India

Introduction

ETC (Engineering and Technical Ceramics Exhibition) is India's only trade fair in the field of technical ceramics and is co-located with Indian Ceramics & Ceramics Asia 2019.

The next edition is held from 27th February to 1st March 2019 in Gandhinagar, India.

ETC is the only platform in India for domestic and foreign enterprises involved in the development for advanced ceramics to strengthen communication and cooperation, improve brand value and promote new technologies and products to an expanding market in India.

For the first time, we invite companies in the field of technical ceramics to join ETC 2019 with a Pavilion.

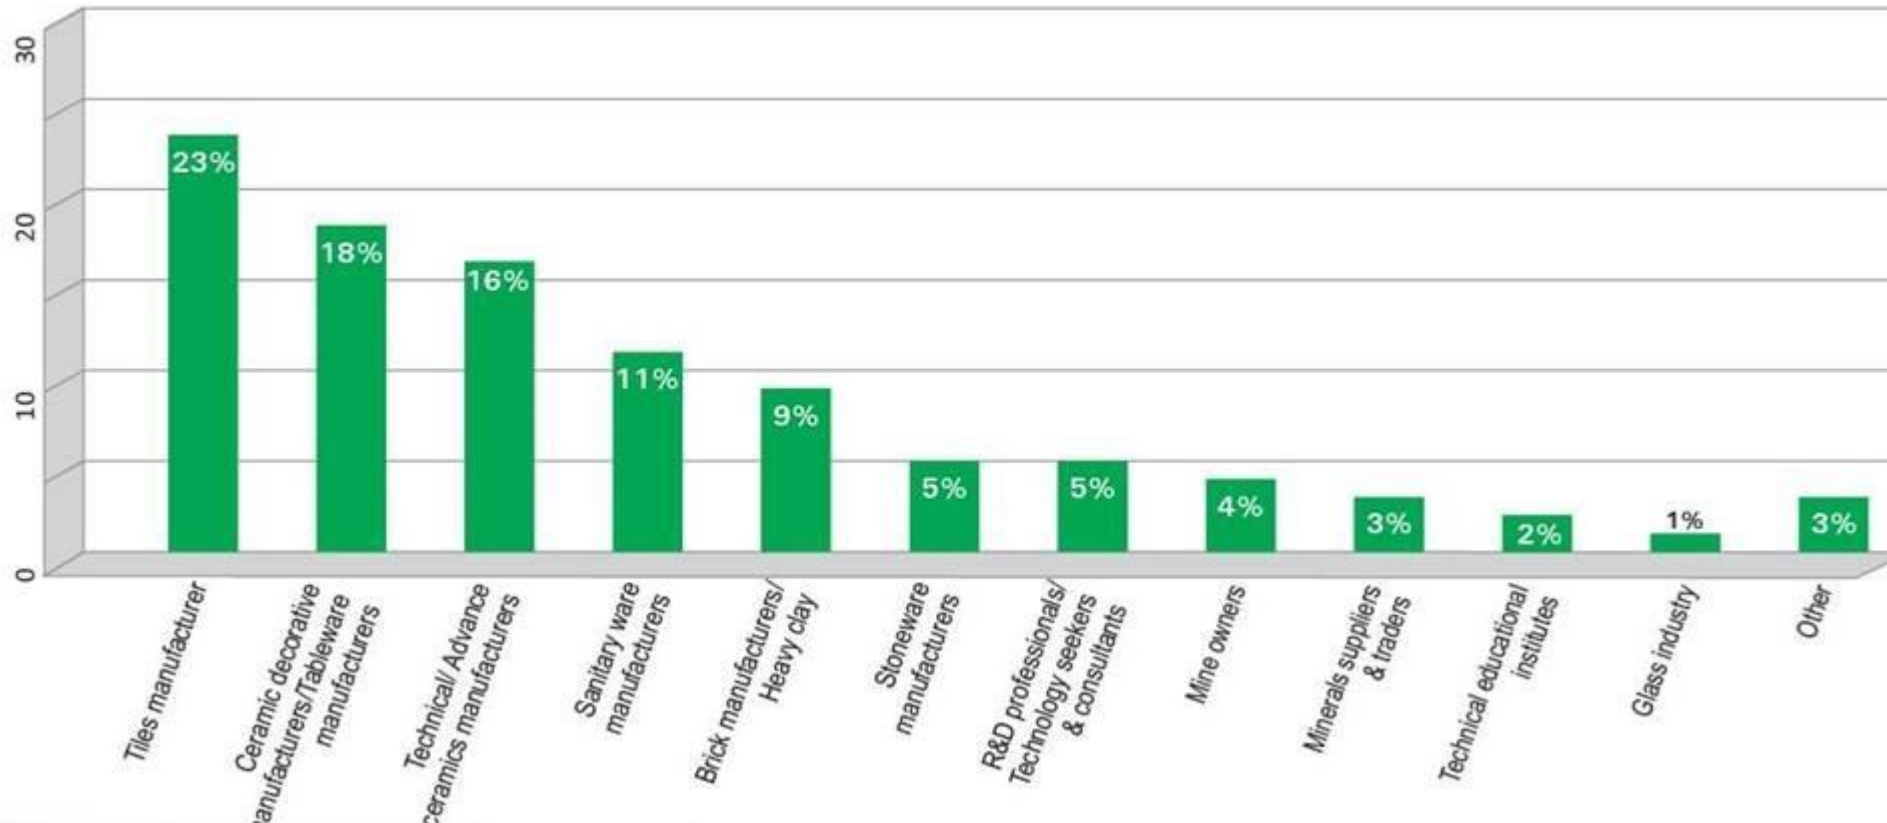

Your advantages are

- Possible market entry into India
- Special marketing of the trade fair and the topic of advanced ceramics to the Indian audience
- Only exhibitors from the field of technical ceramics are allowed to join
- Special package price including stand construction and several other services
- Organization by Messe München GmbH including Management and support

Introduction

At Indian Ceramics 2018, the third largest visitor group was from the sector of technical ceramic manufacturers.
