

Messe München

March 3- 5, 2020

The Exhibition Centre, Gandhinagar, Gujarat

Press Release

Gandhinagar, 24th January, 2020

Countdown begins for ceramic and brick industry's leading trade fair – Indian Ceramics Asia 2020

- 18000+ square meters of expansive exhibition space
- 250+ exhibitors from across the country
- Showcasing extensive range of Ceramic Raw Materials, Ceramic Machinery & Ceramic Technologies
- Concurrent Supporting Programs to highlight latest developments in the sector
- Co-located shows to add even more value to the exhibiting experience

After a successful edition last year, Indian Ceramics Asia is gearing up for its 15th edition in Gandhinagar, Gujarat. The three-day trade fair scheduled from 3rd – 5th March 2020 will cover an extensive range of ceramic raw materials, ceramic machinery & ceramic technologies.

Indian Ceramics Asia brings the best of raw materials, ancillary equipment, ceramic machinery, raw material manufacturers and technology suppliers from India and various other countries to the Indian hub of ceramics and brick industry. The trade fair also aims to maximize the reach of exhibitors and enable them to get a strong foothold in the ceramic market.

Indian Ceramics Asia facilitates a conclusive platform to foster ceramic and brick businesses and conduct negotiations on various levels. The broad range of supporting programs offered at the trade fair such as 'Nextgen Brick Enterprise' which is powered by iBaRT, Innovation Exchange and Job Fair give exhibitors and visitors an excellent opportunity to learn about latest innovations and developments in the industry.

Co-located show iBaRT focuses on the niche industry of brick and roof tile whereas ETC expo 2020 concentrates on the dynamic field within the industry and "Technical Ceramics and Advanced Ceramics" which is used in diverse specialized fields like medical technology, electronics, energy technology, automotive, aviation, space technology, defense and other diverse industries.

Indian Ceramics Asia also offers a highly effective platform – The Buyer-Seller Forum which enables exhibitors to conduct pre-scheduled meetings with numerous sellers and gives them a glimpse of the current market trends as well.

The upcoming edition of Indian Ceramics Asia will take place from 3- 5 March, 2020 in Gandhinagar at The Exhibition Centre. Visit www.indian-ceramics.com / www.ceramicsasia.net for more information.
